

## Attachment A – Funding Worksheet

Complete the table below according to the following rules:

- Only include currently enrolled children who attended the program ten or more working days the previous month.
- If two children share one full-time slot, count only one child.
- **Do not** include children for whom child care is provided without charge.
- **Do not** include children living in the provider’s home on a full-time basis and for whom the provider has legal parental care responsibilities.
- Applicant may request a base amount of \$1200 for each group of 8 children for whom provider is licensed.
- Applicant may request an additional \$250 for each child whose fees are paid with subsidy funds.

The total of all entries in the right column is the maximum amount of money Applicant can request. DWS will verify all entries.

<b>Base Amount:</b> In the box to the right, enter \$1200 per group of eight children as listed on provider's license.		\$
<b>Subsidy Bonus:</b> In the spaces below, enter the names of all currently enrolled children who attended ten or more days in the last month and who receive subsidized care. Do NOT enter children here whose family self-pay.	Enter \$250 for each child listed.
